

# INTERNATIONAL ROAMING BOLT-ONS

Callnet's International Roaming 1-day packs offer unlimited calls and SMS to selected countries, plus 200MB of data, making it easy to stay connected whilst abroad. To activate a pack, simply SMS 'ROAM' to 179. You'll get an SMS alert when 95% of your data is used, so you can activate another pack if needed. If you use up your travel pack within the same day that it was activated, you can instantly activate a new pack by sending 'ROAM' to 179 again. You can stack up to 150 travel packs per billing cycle, with charges applied for each. Keep in mind, you'll need to SMS 'ROAM' to 179 each day you're outside Australia, as packs don't automatically renew.
